

OSGOOD ROAD CLOSURE AND NIGHT CONSTRUCTION NOTICE

Washington Boulevard/Fremont Grade Separation
Project Construction Notice

August 2008

TEMPORARY ROAD CLOSURE ON OSGOOD ROAD BEGINNING AUGUST 15, 2008

As part of the Grade Separation Project, Osgood Road between Washington Boulevard and the United Rentals store (approximately 1,000 feet south of Washington Boulevard), will be closed from 9:00 p.m. on Friday, August 15, through 5:00 a.m. on Monday, August 18, pending weather or other unforeseen circumstances.

Depending on the amount of work completed, construction activities may require additional night work between the hours of 9:00 p.m. and 5:00 a.m. on August 18, 2008 through the morning of Thursday, August 21, 2008. Any schedule updates will be posted on changeable message signs in the construction area.

This temporary closure is necessary to allow the contractor to remove the Washington Boulevard bridge falsework and to install a new 48-inch storm drainage pipe across Osgood Road. An update newsletter on the entire project will be coming soon.

WHAT CAN I EXPECT DURING THIS WORK?

During nighttime construction work near Osgood Road, residents can expect some noise from construction equipment and truck backup beepers. The contractor will reduce noise to the extent possible, but some noise is unavoidable. We apologize for any inconvenience and will attempt to complete the work as quickly and efficiently as possible to minimize disruptions to residents.

HOW WILL THE CLOSURE AFFECT TRAFFIC?

During the closure of Osgood Road near Washington Boulevard, motorists will not be able to travel between Osgood Road and Washington Boulevard/Driscoll Road. Detour road signage will be in place to guide motorists to use Fremont Boulevard and Auto Mall Parkway for travel to and from the Washington Boulevard area (see detour map on reverse). Motorists will be able to turn between Driscoll Road and Washington Boulevard. Through-traffic on Washington Boulevard will remain open at all times.

Any changes to the schedule will be posted on changeable message signs in the construction area and on the project Web site at www.fremontgradesep.com.

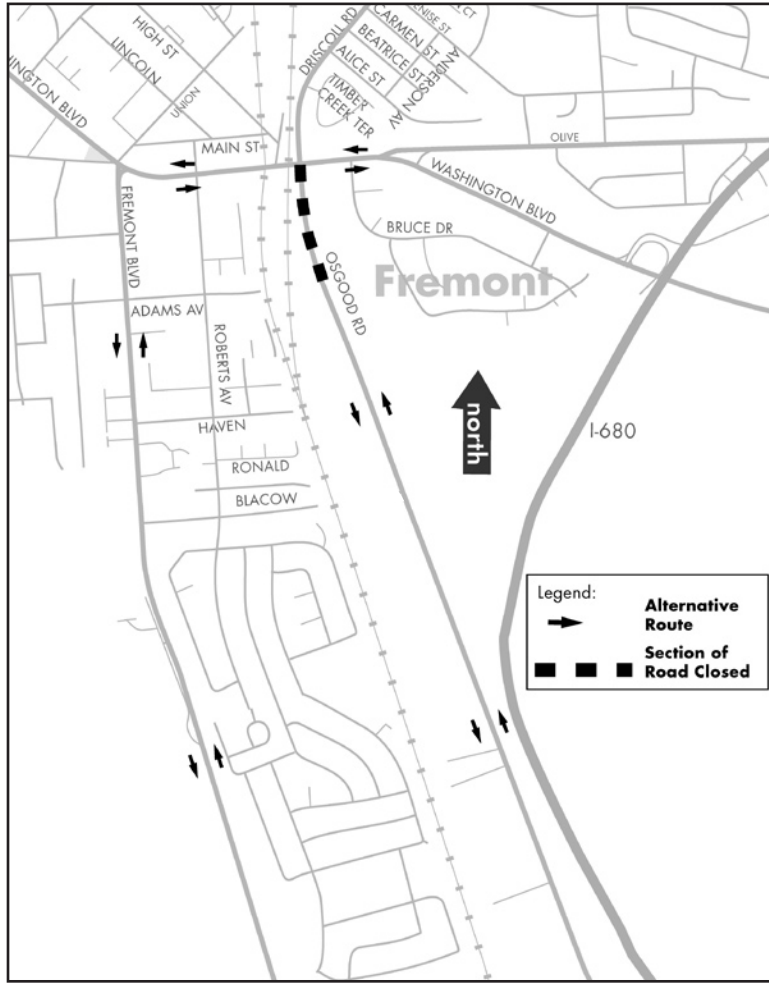

HOW CAN I OBTAIN MORE INFORMATION ABOUT THE PROJECT?

The City of Fremont is committed to providing advance notice of traffic changes and construction activities through mailed updates, street signage and information on the project Web site. If you would like to receive construction updates via e-mail, please provide us with your e-mail address. For more information, questions or to sign up on the mailing list:
