

UTILITY RELOCATION NOTICE

Update on the Washington Boulevard/
Paseo Padre Parkway Grade Separation Project

March 2006

Starting April 2006 for approximately one year, efforts will begin to relocate fiber optic, water, telephone, electrical, gas, and cable lines to make room for construction activities associated with the Washington Boulevard / Paseo Padre Parkway Grade Separation Project.

Existing utilities under Paseo Padre Parkway between Shadowbrooke Common and Hancock Drive will be moved to the north side of Paseo Padre Parkway into an area that will become a temporary detour road during construction. Existing utilities under Washington Boulevard will be relocated to various surrounding areas as well as new locations within Washington Boulevard and Driscoll and Osgood Roads.

WHEN WILL THE WORK OCCUR?

Construction activities will occur primarily between the hours of 7:00 a.m. to 7:00 p.m. on Monday – Friday and 8:00 a.m. to 6:00 p.m. on Saturday.

HOW LONG WILL IT TAKE?

Most utility relocations are expected to be complete by Spring of 2007, pending weather and other unforeseen conditions. Ongoing progress updates on the utility relocations and locations of upcoming work will be posted to the website at www.fremontgradesep.com.

WILL THIS WORK CAUSE TRAFFIC DELAYS?

The majority of the work will be performed within areas outside of the city streets. However, where work within city streets and sidewalks is required, work will be performed during non-commute hours. Traffic control measures will be implemented when required to maintain vehicular and pedestrian access around the work areas.

WHERE CAN I OBTAIN ADDITIONAL INFORMATION?

The City of Fremont appreciates your patience and cooperation during this important construction project. Please visit the project website at www.fremontgradesep.com for ongoing updates on the utility relocations and other construction activities. We also encourage you to contact us with questions, comments, or concerns at **(510) 273-2488** or email us at info@fremontgradesep.com.
